

The 'Friends' of Newark Hill

The 'Friends' of Newark Hill Primary School are an active committee of both staff and parents, who work tirelessly throughout the year to raise funds for the school, through a wealth of fun and exciting events for our children and their families.

Our annual programme of 'Friends' events is very varied, with a range of activities for children, adults and families to attend! In addition to our legendary 'Reindeer Rock' Christmas Extravaganza, the 'Sausage Sizzle' and the Summer Fete, our events also include such things as: discos, bingo nights, quiz evenings, BBQs and car boot sales!

The incredible monies raised from such events, which is on average around £6000 each year, have helped to fund such things as the tyre tracks, adventure play areas, bikes sheds and outdoor classroom in recent years!

We meet regularly through the course of the year, to forward plan for events during the school calendar, and would welcome ANY new ideas or offers of support at such times!

We'd love to see some new and 'friendly' faces so why not come along?!
(watch out for our updates on the fortnightly newsletter!)
