

Why can more children go to school?

It is good for children's mental wellbeing.

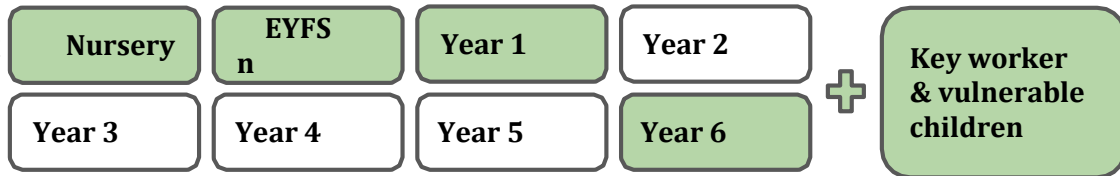

It is good for children to see other children.

Please note- Smaller groups will not have a chance to mix and socialise with their friends.

What has changed?

June 1st

From June 1st we will welcome back children, but only from EYFS, Year 1 and year 6. The Academy will still be open for key workers' children and vulnerable children. We will be sending invitations out to the above children. If you receive an invite then your child may attend the Academy on the 1st June.

What about their brothers and sisters?

Only children in the year groups above.

Children in years 2 - 5 need to stay at home.

Children can continue using Teams as their online learning will still be available with the live lessons. Also follow our home learning packs; available on our website.

How are you making sure school is safe?

We will check for risks before school is open.

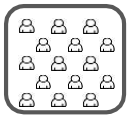

Everyone will wash their hands regularly.

If a child or family member is sick they cannot come to school.

The Academy will be cleaned regularly.

There will only be a few children in a room together.

To do this we may need to make changes to the school day. Please follow the daily emails from Mrs Kendal.

Does my child have to come to school ?

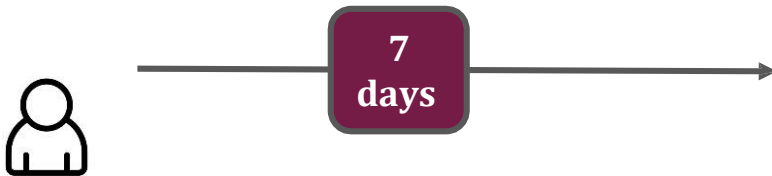

You may receive an invitation from the academy. Please follow the guidelines outlined on this.

There will be no fines if your child does not go to school.

What if there is a case of Corona in the Academy?

The person with symptoms must self-isolate for 7 days.

The people the live with must self isolate for 14 days.

If anyone at school tests positive, the whole class may have to self isolate for 14 days. More information will be available at the time.

What else might change?

The time you drop off and pick up your child.

They may not have all their normal lessons.
