Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about key animals they are interested in. Learning may focus on exploring the physical aspects of an animal, their habitat, categorising animals etc.

- **Where does the animal live?**
Play [this](#) sorting activity to develop their understanding of where different animals live.
- **Create a mask:** Using different materials around the house, create a mask of their favourite animal. Think about the colours and shape. Can they add different textures to their mask?

- **Learn the song:**
[The animals went in two by two](#) . Ask your child to draw out two of each animal and practice writing the numeral 2.
- **Big and small animals:**
Draw as many big animals as you can on one piece of paper and as many small animals as you can on another sheet of paper. Some children may be able to write a list as an alternative.
- **Animal grouping:** Get your child to group animals into two columns. Identifying animals that can fly and cannot fly. What do animals eat? [animal sorting cards](#)
- **Create an animal den:**
Provide your child with blankets and sheets to make an animal den. Act out being an animal in the den.
- **Be Active:**
[Go Noodle](#) with the family or have a family workout. Fancy a dance? There are lots of dance videos they could try. [Dance](#). Maybe try some [Yoga](#).
Recommendation at least 2 hours of exercise a week.
