

Learning Project WEEK 1 - My Family

Year 1

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> 👉 Working on Education City – your child will have an individual login to access this. 👉 Play on Hit the Button - number bonds, halves, doubles and times tables. 👉 Practise counting in 2s, 5s and 10s. This game could support this. 👉 Work on a shopping list for the weekly shop and get children to add up how many items and add up the cost of some items. This game could support work on making amounts of money. 👉 Practise telling the time. This could be done through this game (scroll down to access the game). Read to the hour and half hour. 👉 Write the numbers 0-20 in words and digits. 👉 Practise breaking numbers into 10s and 1s. This game could support with this. 	<ul style="list-style-type: none"> 👉 Reading a variety of books at home. 👉 Your child could share a book everyday. This can be reading a book aloud everyday or sharing a book with an adult. Use the comprehension question in your child's Learning Journal. 👉 Listen to a story read, Storytime. 👉 Create a bookmark, perhaps you could choose characters from 'The Tiger Who Came To Tea' or your favourite stories. 👉 Complete a book review on 'The Tiger Who Came To Tea' or one of the books you have read - What did you like about it? Would you recommend it to anyone? What was your favourite part and why? You child could film their review on Flipgrid for their teachers to see.
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> 👉 Daily Phonics – your child is to practice their sounds and blend words. Interactive games found on link below. 👉 Phonics Play 👉 Top Marks 👉 Spelling 👉 Spell the days of the week: Keep a diary of things you do in the week. 👉 Spell common exception words 👉 Spelling City 	<ul style="list-style-type: none"> 👉 Family: Look at the family in 'The Tiger Who Came To Tea'- how are they different to your family? Can you write sentences comparing the two families? 👉 Take a look at a variety of poems with your child. Ask them to pick their favourite poem and write a poem https://www.poetry4kids.com/topic/family/ 👉 Write an invitation inviting the tiger to tea. Think about the features you need to include. 👉 Ask your child to create a story about an animal coming to tea. They could use 'The Tiger Who Came To Tea' as a starting point. Don't forget lots of wonderful adjectives

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of their own family. Learning may focus on what different makeup of families, what traditions your family has, stories linked to your family etc.

Family

This is time to find out about their family and traditions they follow. Ask them to think

about: Who they live with? How many adults? How many children? Can they sort their family members into height order? Who is the tallest? Who is the shortest? Is the tallest family member the eldest family member? If they drew around all their family members' hands; could they count in 5s? What if they drew around their feet? Could they count in 2s? Ask think about one family member they would love to interview. They could be a family member that lives with them or a family member that lives somewhere else. Can they write down some questions they would like to ask them? Have they got a pet? Can they draw or paint a picture of their family? Can they talk about their picture to a family member?

Self portrait:

Ask your child to think about which materials they use to draw? Can they find different materials around the house to help? [Ideas](#)

Create a card:

Ask your child to design a card for someone in their family. It can be a birthday card, thank you card or a card to tell someone how much they love them!

Family tree:

Look at photographs of your family members and discuss where they would go on a family tree. Have you met everyone? Is there anyone you could interview and find out more about?

Design a personal coat of arms shield for the family:

Find out what a coat of arm shield means. Ask them to begin to think about their design. What could they draw? What does it mean to them ? Ask them to think about the colours and shapes. Maybe if they have some cardboard around the house they could make a shield to give to a family member.

Create a booklet all about the family:

Can they name the people in their family and write sentences about them? Who are they? What do they call them? What do they like or dislike? Why are they special to them? Maybe they could get a photograph or draw a family member before they write about them.

News Reporter for half a day:

Their challenge is to interview family members and find things they like and dislike? Can they write down things they like and dislike? Can they compare these to someone else in their family? In your interview they could create flashcards with words such as: colour, clothes, food, drinks, books, places, music and then ask a family member to pick a flash card and talk about their likes and dislikes.

Data detective

Ask your child to look at people in the house. What colour is their hair ? Eye colour? Favourite colour? Favourite food? Favourite dinosaur? Ask them to collect this and place in a tally chart. <https://www.twinkl.com/qa/resource/t2-m-250-favourite-colour-tally-and-bar-chart-worksheets>

Interview a family member

Interview a family member that doesn't live at home with them. Allow your child to ask them about their childhood. Who did they live with? Who is in their family? Have they got any family traditions they follow and why.

Write an invitation to a family event:

Ask your child to invite a family member to one of the following: - (*talent show, music show, magic tricks, jokest*) In their invitation ask them to think about the time, date and place. How will they design the invitation? Who will deliver it?

Share the <https://family.gonoodle.com/activities/milkshake> movement and mindfulness video with their family. Who was the best? Which part did they enjoy? Could you create a video of your own?

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#)- to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#)- This is a blog that has links to various learning platforms. Lots of these are free to access.

<https://www.bbc.co.uk/teach/super movers> - This site will get your child moving and learning at the same time.

[Education city](#) – All children should have their own logins.

Additional Year 1 phonics support can be found here:
