HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place ✗ if not	WHERE: ✗ State action to be taken with timescales ✗ Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
	<ul style="list-style-type: none"> Is the animal suitable to keep in the establishment? The RSPCA and PDSA will be able to advise. 	✓	<p>French Bulldogs are bred to be sociable dogs and are often used as therapy dogs as they are known to be good with children.</p> <p>Our dog will be a School Dog, however, French Bulldogs can make great therapy dogs because they are described as even-tempered, friendly, and quiet. They make wonderful companions who can bring a smile to your face and help you feel calm and loved.</p> <p>https://www.petguide.com/blog/dog/top-10-therapy-dog-breeds/11</p> <p>https://frenchbulldogowner.com/are-french-bulldogs-good-therapy-dogs/</p> <p>Staff/children known to have allergies/ phobias have restricted access to suit their needs. There will be no unsupervised contact with pupils.</p> <p>Dog closely supervised by adults and kept under control in the school and Principal's Office – Stairgate installed to control access.</p>	Low
	<ul style="list-style-type: none"> Have staff and volunteers seen and read current version of GI Sheet No 46 Animals, Birds and Fish? 	✓	Folder containing GI sheets available to all staff on Sharepoint and copies kept in the staffroom . GI Sheet No 46 will be given to the main handlers for reference.	Low
	<ul style="list-style-type: none"> Are staff aware of the contents of the Policy? (if applicable) 	✓	Health & Safety policy 2018 available on the H&S notice board and available for all staff on the GAT policy hub and Sharepoint.	Low

RISK ASSESSMENT: Animals- Handling and Keeping (Page 3 of 9)

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place ✗ if not	WHERE: ✗ State action to be taken with timescales ✗ Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
Disease	<ul style="list-style-type: none"> Has the animal (s) been purchased from reputable suppliers? 	✓	Principal and Deputy Principal have looked at the necessary paperwork linking them to being a reputable supplier. Principal has visited the supplier to ensure it is suitable and it is from a well socialised background (not a puppy farm)	Low
	<ul style="list-style-type: none"> Are arrangements in place for staff to wipe down work surfaces if animals have been allowed on the surfaces e.g. appropriate disinfectant? 	✓	Supply of disinfectant kept throughout the school.	Low
	<ul style="list-style-type: none"> Are staff and children instructed to wash their hands before and after contact? 		Students and adults always wash their hands immediately after handling the dog.(adult and student hand washing facilities available throughout the school).	
	<ul style="list-style-type: none"> Is appropriate personal protective clothing/equipment available e.g. gloves, dust masks and aprons? 	✓	PPE equipment available if needed – gloves and aprons.	
Allergic Reactions	<ul style="list-style-type: none"> Do staff or children have any known allergic reactions to animals, bedding, feed (nuts?)? 	✓	Class Teachers are aware of pupils who have allergies and this is recorded on SIMS. Parents will be notified by communication sway and on the website that there will be a dog on site so if they have a child who is allergic to let the school know. If this occurs, we will ensure that the child does not come into close contact with the dog. This will be published as a memo to all staff so everyone is aware.	

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place ✗ if not	WHERE: ✗ State action to be taken with timescales ✗ Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
Bites and Scratches	<ul style="list-style-type: none"> Are arrangements in place for first aid e.g. to wash all animal bites and scratches and to seek medical advice if in doubt about the risk of infection? 	✓	<p>French Bulldogs are bred to be sociable dogs and are often used as therapy dogs, but this is going to be a School Dog.</p> <p>Staff/children known to have allergies/ phobias have restricted access to suit their needs. There will be no unsupervised contact with pupils. Dog closely supervised and kept under control in the Principals office.</p> <p>Pupils and staff will be made aware of the procedures of meeting and handling the dog. First Aid available throughout the academy. Supervising adult to ensure dog not over petted to avoid any incidents. If dog appears anxious or over-stimulated, to be removed to peaceful surroundings</p> <p>Training will be given initially (puppy and social training) and then further training to be assessed and reviewed.</p>	
	<ul style="list-style-type: none"> Are staff and children aware that dogs (except guide dogs) should not be allowed on academy premises? 	✓	<p>Parents reminded at regular intervals that no dogs – except guide dogs are allowed on the premises.</p>	

RISK ASSESSMENT: Animals- Handling and Keeping (Page 5 of 9)

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place ✗ if not	WHERE: ✗ State action to be taken with timescales ✗ Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
Disposal of Waste	<ul style="list-style-type: none"> Are arrangements in place for the correct disposal of bedding and animal waste? 		<p>A bag containing dog poo bags/plastic bags, kitchen roll, antibacterial spray, rubber gloves etc will be carried by the authorised member of staff walking the dog.</p> <p>Dog exercise/toilet area will be in area away from where the students access (grass area along the academy drive not accessible to pupils). All excrement will be cleaned up immediately and disposed of responsibly and hygienically. Dog will visit this area regularly and frequently throughout the day.</p> <p>When able to, the dog, will be exercised and toileted on local parks where the council have dog waste bins available. The council cemetery is behind the academy.</p>	
Control of the animal	<ul style="list-style-type: none"> Have we considered how the dog will behave with pupils to reduce risks: where, when and how? 		<p>The dog will be kept on a lead at all times and under the full control and supervision of the trained staff that are allocated to him when he is out of the main office or Principal's Office. Pupils will never be left alone with the dog and there will be appropriate adult supervision at all times. Pupils will be reminded of what is appropriate behaviour around dogs. Pupils will be told not to put their face near the dog and will always approach it standing up. Children will be told never to go near or disturb the dog while it is sleeping or eating. Pupils must not be allowed to play too roughly with the dog. Any interactions within a classroom environment, will be supervised, handled and managed by one of the trained handlers only. This provides consistency and increases confidence, whilst reducing risk. Dog removed if behaviour seems to change.</p>	Low
